

Class Materials List:

* Sand bags - use either old blue jean legs cut into 18"-20" sections sewn shut approximate $\frac{3}{4}$ full of sand or use old tube socks tired off $\frac{3}{4}$ full of sand (for those who are

Flying bring empty and I will have some sand.)

* Dust collector (If you have a portable one and are driving.)

* Dust mask

* Foredom or similar tool - include attachments:

. $\frac{3}{4}$ " by $2\frac{1}{2}$ " sanding drum with 150 grit Swiss gold sandpaper

. Typhoon burr - $\frac{5}{8}$ " and or $\frac{3}{4}$ " diameter red flame $\frac{1}{4}$ " shank

(You may order these from Belcher Carving 937-845-0346 or The Woodcraft Shop 800-397-2278 or www.thewoodcraftshop.com)

* $\frac{3}{4}$ " Gouge with #5 or #6 curve

* Nicholson #50 cabinet maker's patten rasp

* Nicholson 8" second cut file (half round)

* Sandpaper - 220, 400, 600, 1500 grit (3M wet/dry) Available at auto body supply stores.

* Video camera - If you would like to record specific instructions for you and your piece.

Note: Mainly bring the tools you are most proficient with.

We will be working on an abstract sculpture which will serve as a finished sculpture or can be incorporated with another piece and serve as a base. Principles of movement, balance and design will be the emphasis of the course.

If you have any questions, or want to talk to me about your piece please feel free to email me at jcw@jchristopherwhite.com, or call me at 970-613-9517 as soon as possible.

I look forward to working with you.
